As members of two of the most successful boybands in the world, Boyzone and Westlife, Keith & Brian have collectively sold over 55 million records around the world. Combining 17 Number One UK singles from their iconic catalogue with a fully live band, Boyzlife not only have a live setlist made entirely of hit songs, but as importantly for this polished show – they have stories to tell. Their camaraderie, friendship and Irish charm combined with fantastic live performance of their hits, make for a night out to remember.
